INFORMATION FOR PARENTS

VISITORS (ADULT)

Parents and adult friends and patrons are encouraged to visit our school at any time. Due to safety issues, visitors and parents must check in through the office upon entering the school. *Children MUST NOT be taken from the building without the teacher and the office being informed.* Parents and visitors are requested to respect the bus loading areas and the student loading area. If you need to leave your car, please park in the parking lot. Do not leave your car unattended in the Student Loading Area.

VISITORS (CHILDREN)

Children may visit only when accompanied by an adult.

LUNCH

Students needing to be released early or going home for lunch must bring a note from a parent or guardian. Those who go home every day need only one note. Those who go home only on occasion must bring a note each time.

NOTES

Because some of our students change their routine plans without the approval or knowledge of their parents, we require a note or call from parents advising us of any change in a student's routine schedule. Regularly scheduled changes in routine, such as weekly church or activity meetings need only be requested once. The note will be maintained in our file and the student will be allowed to follow this schedule until further notice. Lacking a note or call from parents, students will be sent home by their usual means. We understand that unforeseen emergencies can occur from time to time. However, if you have a change in plans for your child, please try to call before 1:00 p.m.

Children need fresh air and physical activity except under special conditions. For a child to stay in during recess time, a note is required.

SCHOOL DAY

Students dropped off before 7:30 are unsupervised. The school day begins at 8:25 for all grades. Students are dismissed at 3:15. The building closes at 3:30. If students have not been picked up by 3:30 & the office has not been contacted by a parent or guardian, Payette County dispatch will be contacted to take custody of the child until a parent or guardian has been reached. School is out at 12:10 on early dismissal days. Students must be picked up by 12:30. It would be unsafe for an elementary student to be unattended after the building has closed.

All discipline is handled on a case by case basis

Good school discipline occurs when three conditions exist:

1. The student develops attitudes conducive to self-discipline and responsibility,
2. The school establishes appropriate policies and consistently enforces them, and,
3. The parents and the school cooperate in the development of acceptable behavior.

Consequences for Non Compliance:

Students are expected to be responsible for their own behavior. When they choose to behave irresponsibly, it is necessary to provide behavioral limits that will encourage them to become responsible.

Students are encouraged to be aware of rules by:

- A. Classroom instructions,
- B. Posted rules, and,
- C. Written rules given to parents and signed acknowledgement returned to the school.

Sequence of Consequences:

1. Verbal warnings or isolation against the wall will be used for minor infractions.
2. Time Out will be used for major offenses such as safety issues, disrespect, profanity/obscenity, bullying/harassment and excessive physical contact, or vandalism.

**Any or all of these steps may be omitted at the discretion of the principal or designee. If appropriate, a personal behavior management program may be developed for a student demonstrating irresponsible behavior.*

SUSPENSION

Suspension from school will occur for the following reasons:

- Alcohol and/or Dangerous or Imitation Drugs: Using, possessing, selling, distributing or being under the influence of alcohol, drugs, (including look-a-likes), other intoxicants or possessing any drug paraphernalia or the glorification of use of illegal substances. The student and the parents of the student may be liable for the amount of assessed damages. Parents are responsible for all damage incurred by their children.
- Weapons: Possession, handling, use of or transmission of any object that is considered a weapon (including look-a-likes). Weapons include but are not limited to firearms, knives (all kinds), metal knuckles, clubs, poisons, or explosives of any kind. The following is an interpretation of the New Plymouth School District #372 Acceptable Use Policy (698). It is intended to help young students understand what acceptable behavior with the use of technology is. A copy of the complete District AUP is available if requested.

Expectations

Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or on a school playground. The use of the network is a privilege, not a right, and this privilege may be taken away if abused. The District utilizes an Internet Filtering System (Gaggle) on all teacher, lab, and student computers, but students are additionally warned never to access, keep, or send anything that they would not want their parents or teachers to see.

Rules for computer use

1. Do not do anything to the computer, mouse, headphones, keyboard, cables, CDs, or printers that would break them or cause them not to work.
2. Use only your name and password. Never use another person's name and password. Personal folders are like school lockers. Never trespass in another person's folder, work, or files.
3. Never draw pictures or write words using the computer that you would not want your parents or teacher to see. If you see something on your computer screen that makes you feel uncomfortable, report it immediately to your teacher.
4. Never write or send messages that you think will make another person feel bad or make them angry.
5. It is wrong to copy someone's work unless you have their permission and include their name on it.
6. Supplies such as paper, ink, and time on the computer are limited resources. Do not waste them.
Print only when your teacher tells you. Use your time on the computer wisely.
7. Do not buy or sell anything using a school computer unless it is part of a class project with your teacher's supervision.
8. Do not use email at school unless it is part of a class project with your teacher's supervision.
9. Never give out personal information on the school internet network such as your full name, address, telephone number, school address, or send a picture of yourself without your teacher's approval.

Prescription medications will only be given to students at school under the following conditions:

1. Medication is required during school hours,

 3. It is accompanied by a signed authorization from a health care provider authorized to prescribe medications, indicating:
 - name of medication
 - dose to be given
 - time to be given
 4. We have written or verbal authorization from the parent to give the medication.
 5. For students to be able to carry their inhaler or epi-pen with them at school, the doctor's note must state that the student may carry the inhaler or epi-pen.
- * See New Plymouth School District Policy 561 for explanation of medication policy.

ATTENDANCE AND TARDIES

STUDENT ABSENCE Policy Revised 6/06

Students must not exceed more than nine absences in any one semester. **Each kindergarten day is counted as two days present or absent.** Regular and consistent attendance is a vital part of a person's education and preparation for life and is necessary for school work. School District No. 372 expects each person enrolled in the elementary school to be in attendance in every class every day school is in session unless excused by a justifiable absence. **PARENTS SHOULD CONTACT THE SCHOOL BY PHONE OR BY NOTE WHEN A CHILD IS ABSENT.**

Absence is defined as:

1. Personal or serious family illness. Written certification from a licensed practitioner may be required in cases of absences due to extended or chronic illness.
2. Death in the family or close friend of the family.
3. Students who exhibit symptoms of infections or contagious diseases must be excused from school after a parent or guardian has been notified.
4. Medical and dental appointments.
5. Prearranged absence.

The school recognizes that it is sometimes necessary for parents to absent their children for reasons other than those cited above. If possible, arrangements should be made before the absence occurs. Consideration will be given on an individual basis. The principal and classroom teachers must be contacted, stating the reason for the absence and the proposed duration. Failure to make advance arrangements may be sufficient cause for classifying an absence as unexcused.

If a student exceeds nine absences during a single semester you may petition for credit. Petition forms will show the specific days the student was absent or tardy. When the form is completed it will be reviewed by the Board of Trustees if denied at the building level.

STUDENT TARDIES

A tardy is defined as the appearance of a student after the scheduled time that a class begins. The school day begins at 8:25 A.M. for all students. Students who are tardy must secure an admit slip from the office before going to class.

In case of habitual tardiness (6 within the 9 week grading period) parents will have to conference with the principal. Three tardies within the nine week grading period will equal one absence.

To assist in ensuring the best education possible, parents are encouraged to work closely with the school regarding the attendance of their child.
